### EXTRAMURAL RESEARCH GRANT FUNDING

2019 – 2024 *Title*: Measuring the Prevalence of Trafficking around the World: Implications for Research, Programming, and Policy  
*Funding Source*: U.S. Department of State  
*Role*: Co-Investigator/Project Coordinator (PI: David Okech)  
*Amount*: \$15,750,000 (awarded in 2019) + \$4,000,000 (awarded in 2020)  
*Description*: This project will scale up our existing work in research and programming in Sierra Leone and Guinea, as well as start new work in Senegal. The project will collect, analyze, and establish robust baseline data on the prevalence of human trafficking in selected hot spots in Sierra Leone, Guinea, and Senegal, enhance the quality and scope of implementing partners’ anti-slavery operations, and implement a Prevalence Reduction Innovation Forum, which will execute high impact activities in the measurement of human trafficking and document the strengths and weaknesses of the various prevalence estimation methods.

2019 - 2023 *Title*: Cannabis Legalization: Assessing its Impact on Treatment for Substance Use Disorders  
*Funding Source*: National Institute on Drug Abuse  
*Role*: PI  
*Amount*: \$2,180,818  
*Description*: This project seeks to examine the impact of recreational cannabis legalization on treatment of substance use disorders (SUD) by (1) comparing treatment admissions and examining changes in admissions over time for cannabis and other substances in treatment centers located in: (a) states where recreational cannabis is legal, (b) states that prohibit recreational cannabis but allow medical cannabis, and (c) states that prohibit medical and recreational cannabis; and by (2) examining whether treatment delivery for cannabis use disorder (CUD) is altered in response to legal recreational cannabis availability.

2018 - 2024 *Title*: Anti-Human Trafficking Research and Programming in West Africa  
*Funding Source*: U.S. Department of State  
*Role*: Program Manager *through October 2020* (PI: David Okech)  
*Amount*: \$4,000,000  
*Description*: This project seeks to collect, analyze, and establish robust baseline data on the prevalence of child trafficking in selected hot spots in Sierra Leone and Guinea, and enhance the quality and scope of implementing partners’ anti-slavery operations.

- 2019 - 2020 *Title:* Hands on Athens /Athens-Clarke Heritage Foundation Community Development Block Grant  
*Funding Source:* U.S. Department of Housing and Urban Development (Athens-Clarke County Department of Housing and Community Development)  
*Role:* PI, Grant Writer & Project Manager  
*Amount:* \$82,000  
*Description:* This Community Development Block Grant (CDBG) provided by HUD through the Athens-Clarke County Department of Housing and Community Development will provide assistance to ~15 low-income homeowners in Athens-Clarke county by repairing and restoring their properties as part of overall neighborhood revitalization.
- 2018 - 2020 *Title:* Justice and Mental Health Collaboration Program – Alcovy Circuit Court  
*Funding Source:* U.S. Department of Justice – Bureau of Justice Assistance  
*Role:* Project Manager (PI: Orion Mowbray)  
*Amount:* \$200,636  
*Description:* The goal of this project is to understand outcomes associated with participation in a mental health related jail diversion program in two counties in the state of Georgia.
- 2018 *Title:* Preparation of Archived Data from the Study Entitled Adoption of Evidence-Based Practices in National Samples of Private Substance Abuse Treatment Centers  
*Funding Source:* National Institute on Drug Abuse  
*Role:* Co-Investigator (PI: Paul Roman)  
*Amount:* \$14,994  
*Description:* This project provides the *National Addiction and HIV Data Archive Program* complete data, codebooks, and descriptive documentation from 1 wave of data from our national study of adoption of treatment innovations in private substance abuse treatment centers.
- 2017-2018 *Title:* State Targeted Response to the Opioid Crisis  
*Funding Source:* Substance Abuse and Mental Health Services Administration  
*Role:* Co-Investigator / Project Manager (PI: Orion Mowbray)  
*Amount:* \$99,850  
*Description:* The goal of this project is to understand opioid use treatment needs and service availability in a ten-county area served by a public mental health provider in the state of Georgia.
- 2011-2016 *Title:* Adoption of Innovations in Private A&D Treatment Facilities (R37DA013110)  
*Funding Source:* National Institute on Drug Abuse  
*Role:* Co-Investigator / Project Director (PI: Paul Roman)  
*Amount:* \$3,720,224  
*Description:* This project follows a nationally representative sample of privately-funded addiction treatment programs over a period of five years to examine the adoption of evidence-based practices from the perspective of the program administrators, clinical directors, and counselors.
- 2008-2013 *Title:* Use of Evidence-Based Practices in Alcoholism Treatment (R01AA015974)  
*Funding Source:* National Institute on Alcohol Abuse and Alcoholism  
*Role:* Co-Investigator (PI: Paul Roman)  
*Amount:* \$3,100,000
