positive social change*

## **ASSISTANCE FOR BASIC DAY-TO-DAY SUPPLIES**

If you are having financial stress right now and cannot afford some of the basics day-to-day life necessities, please feel free to take what you need from the toiletry supply drawers located in the bathrooms on the first and second floors of the School of Social Work building. We have office/school supplies located in the closet on the first floor of the SSW building, room 131. It is open anytime. If you have a need for something but can't find it, please contact the Dean's assistant, Mandi Herrin Albanese at [mandih@uga.edu](mailto:mandih@uga.edu).

At this time, we are not able to provide food or clothing. However, UGA has a food pantry for students and more information can be found here: <https://greeklife.uga.edu/uga-food-pantry/>. UGA also has a professional clothes closet and more information can be found here: <https://sga-professional-clothing-closet.myshopify.com/>.

Gwinnett students can access a supply closet through Professor Constance Wooden-Smith.
