Subject: free resources

I hope everyone continues well and safe.

As we all continue to navigate virtual instruction, field, and meetings, having free online resources may be helpful.

Some of these include free access to texts, research tools, and tutoring. Given the big financial stressors on our students, some of this might be of use to them and/or you.

[Updated: 21 free higher ed resources during coronavirus pandemic](#)

Steven Blackburn

As more colleges and universities continue to be affected by the coronavirus (COVID-19) global pandemic, higher education solution providers have stepped up by rolling out free resources, services and teaching materials.
