

Investing in the Future of Public Behavioral Health in Georgia

DBHDD

A Program for Specialization Year MSW students

Why Participate?

- Gain experience and clinical skills to work with the most vulnerable populations
- Complete your MSW with a competitive award on your resume and outstanding clinical experience
- DBHDD will provide \$10,000 stipends to selected students

Program Requirements

- Selected students will have their field placement in a DBHDD or Community Service Board agency (like Advantage in Athens) Students commit to working at least 12 months post-graduation at a DBHDD or CSB agency
- Students will participate in a 1 credit per semester seminar course exploring relevant topics
- Students agree to obtain their LMSW following graduation
- Applications are due January 19 for the cohort starting Fall 2024. The application is here: <https://sww.uga.edu/admissions/financial-aid/behavioral-health-internship-program/>
