ADMINISTRATION

UGA MSW-MPH ACADEMIC ADVISING

Clinical Assistant Professor, University of Georgia

2018 - present

Monitor course schedules in the College of Public Health and the School of Social Work to prevent scheduling conflicts. Attend the MSW and MPH orientations to welcome and advise new students. Provide academic advising to all MSW-MPH students, providing guidance on course selection and ensuring timely progress towards graduation and student success:

- 2022 – 18 advisees
- 2021 – 17 advisees
- 2020 – 27 advisees
- 2019 – 30 advisees
- 2018 – 22 advisees

UGA MSW-MPH PROGRAM COORDINATION AND DEVELOPMENT

Clinical Assistant Professor, University of Georgia

2018 - present

- Coordinate all aspects of the UGA Master of Social Work-Master of Public Health Program. Collaborate with colleagues in admissions, advising, academic affairs, and the field/practicum offices in both the College of Public Health (CPH) and the School of Social Work (SSW) to ensure streamlined program operations and student success.
- Monitor curriculum changes and scheduling in both units to ensure students' programs of study remain uninterrupted.
- Coordinate the annual integrated field placement orientation for MSW-MPH students. Serve as a liaison between field office faculty and staff in the SSW and field faculty and staff in the CPH to ensure students experience a consistent field placement process.
- Coordinate meet 'n greet and other community-building events for students.
- Engage in an ongoing quality improvement process to understand the student experience and to improve the program.
- Secured approval from School of Social Work faculty, College of Public Health faculty, and the Graduate School to expand the MSW-MPH program to be available to Advanced Standing MSW students (2019) and to students choosing to pursue the public health track in Health Policy & Management (2020).

- Recruit students to the MSW-MPH program through presentations at orientation and recruitment events throughout the school year. Conduct regular outreach and recruitment via email, video call, phone, or in-person mechanisms with individual prospective students:
 - 2022 – 33 prospective students
 - 2021 – 40 prospective students
 - 2020 – 48 prospective students
 - 2019 – 39 prospective students
 - 2018 – 17 prospective students
