

Student COVID-19 Practicum Risk Reduction Plan

The University of Georgia’s primary commitment is to the health and safety of the faculty, staff and students.

Ask your practicum agency for a copy of their policy or procedure responding to health risks and practices for staff regarding the current COVID 19 virus. Review this policy and include in your plan below any practices or protocols that you will use to address issues of personal safety going forward in your practicum. If you are not comfortable stating specific diagnosis or health conditions please describe concerns generally so as still to create an effective risk plan. ***Please include a copy of your agency policy or procedures in your submission of this document.***

The University of Georgia and the School of Social Work are committed to providing equal access for students with disabilities. Requests from students for an accommodation due to COVID-19 will be handled through the Disability Resource Center's (DRC) existing accommodations process. The academic accommodations related to COVID-19 are NOT meant to address circumstances for students who care for or live with individuals at higher risk for severe illness with COVID-19. For more information, please visit: <https://drc.uga.edu/>

For more information on how to protect yourself and others, please visit: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>

For institutional information, guidance, and resources on COVID-19, please visit: <https://www.uga.edu/coronavirus/info.php>

Student Name _____ Student ID _____

Area of Risk	Issue / Concern	Proactive Intervention Plan	When/Where/Frequency
Personal Health <i>If issues related to your own health status place you at increased risk for severe illness from COVID-19 a component of your safety plan should include registration with the DRC.</i>	My Health	What I will do personally and proactively to guard or protect my health and reduce risk based on my specific needs. <u>Actions</u> 1. 2. 3. 4. Agency based plans, requirements or activities I will practice to help me reduce or manage health risks.
